674 Hillsdale Dr., Ste. 9, Charlottesville, VA 22901 / Tel: (434) 817-5244 / Fax: (434) 817-5230 / www.jabacares.org

A memory care facility is a type of skilled nursing facility and may be located within a larger facility. As such, some memory care facilities are connected to assisted living centers, residential care facilities and nursing homes. Memory care is a kind of specialized care for people living with Alzheimer's and other forms of dementia. Communities typically feature secure environments where staff can closely monitor the health of the residents. You'll also find programs, activities, and events that are designed to help memory care residents work on their cognitive abilities, while also getting to enjoy passions and hobbies. Staff typically are specially trained to provide the quality care needed for seniors with memory loss.
